

# MUNISH KUMAR GOLUKONDA

✉ [gmunish3307@gmail.com](mailto:gmunish3307@gmail.com)   [in Munish Kumar Golukonda](#)   [gmunish3307](#)   ☎ [+91-9392346493](tel:+91-9392346493)

## CARRER OBJECTIVE

Computer Science undergraduate with strong foundations in programming, data structures, and software development, with a keen interest in research and innovation. Experienced in competitive programming, hackathons, and building practical software solutions. Eager to explore research opportunities, develop analytical thinking, and contribute to impactful technological advancements.

## EDUCATION

**Lakireddy Balireddy College Of Engineering , Mylavaram**

Bachelor of Technology in Computer Science and Engineering

Expected 2028

**CGPA: 9.85 / 10**

**Sri Siddhardha Junior College, Nuzvid**

Intermediate, AP EAMCET Rank - 7468

2022 - 2024

**Percentage: 98.9%**

**Sri Chaitanya Techno School, Nuzvid**

10th Boards (SSC)

2022

**Percentage: 97.17%**

## TECHNICAL SKILLS

C, C++ ,Python (NumPy, Pandas, Matplotlib ), Java , HTML, CSS, JavaScript , VS Code, GitHub, LaTeX .

## PROJECTS

**Voice Controlled Blind Navigation Spectacles(IOT Project)**

Built a real-time assistive navigation system for visually impaired users using ultrasonic sensors and Arduino. Implemented voice-command functionality for hands-free control and audio-based obstacle alerts, achieving low-latency response for safe navigation. Optimized sensor accuracy and power efficiency for wearable deployment.

## CERTIFICATIONS & ACHIEVEMENTS

- Secured **Second Position in First Year** (CGPA: 9.92) for outstanding academic performance and **CGPA : 10/10** in 2nd semester through consistency and excellence during the Academic Year 2024–25.
- Earned **Python Foundation Certification** (Infosys Springboard), strengthening core programming and problem-solving skills.
- Completed **Python Essentials 1 & 2** from Cisco Networking Academy, gaining knowledge in Python syntax, control structures, functions, lists, dictionaries, modules, and debugging.
- Participated in national-level hackathons including **Smart India Hackathon (Internal Round)** , gaining collaborative development experience.

## SOFT SKILLS

- Effective Communication
- Leadership
- Teamwork and Collaboration
- Adaptability
- Problem Solving Skills

## INTRESTS & HOBBIES

---

- Playing Cricket
- Listening to Music
- Reading Books
- Exploring New Things , Curiosity and Willingness to Learn

## HACKTHONS

---

### **AI-Based Pollution-Aware Adaptive Traffic Management System**(”CODECROW-AI” Hackthon)

Developed a smart traffic control system that uses real-time traffic density and air quality data to dynamically adjust signal timings. The system integrates LSTR models to analyze traffic patterns and optimize signal coordination across multiple junctions, helping reduce congestion, vehicle waiting time, and harmful emissions in urban areas.

### **Bhasha Mitra – Multilingual AI Chatbot || Smart India Hackathon 2025**

Developed Bhasha Mitra, a multilingual AI assistant for college websites that helps users quickly access information through conversational queries. The system supports multiple Indian languages , using real-time translation and NLU to provide precise responses, making information retrieval more user-friendly and time-efficient.

## EXTRACURRICULAR ACTIVITIES

---

Successfully coordinated **Srujana**, a Paper Presentation event at **LAKSHYA**, a national-level technical and cultural fest held at Lakireddy Bali Reddy College of Engineering (2 Jan 2026).

## CODING PROFILES

---

- [Leetcode](#)
- [Codechef](#)
